**DAVID CROSBY & GRAHAM NASH TO LAUNCH SPECIAL TOUR AS A DUO THIS SPRING
WITH "AN EVENING WITH DAVID CROSBY AND GRAHAM NASH," A SERIES OF U.S.
DATES TO FEATURE CAREER-SPANNING FAVORITES THAT KICKS OFF MARCH 19**

Each legendary performer also has an acclaimed new book: Crosby's *Since Then: How I Survived Everything And Lived To Tell About It* and Nash's *Nash Editions: Photography And The Art Of Digital Printing*

[Location, date]: Beginning **March 19, GRAMMY-winning, Rock and Roll Hall of Famers David Crosby and Graham Nash** will embark on a tour as "**two together,**" kicking off with a concert at the **Firelake Grand Casino in Shawnee, OK**. Billed as ***An Evening With David Crosby And Graham Nash***, the series of dates immediately follows **Crosby, Stills & Nash's** February tour of Australia and New Zealand.

The last time **David** and **Graham** toured in tandem outside of the larger **Crosby, Stills & Nash** and **Crosby, Stills, Nash & Young** configurations was in **Europe** in early **2004** (their most recent outing in any grouping was **2006's** nationwide **CSN&Y "Freedom Of Speech"** tour). Once again, these very special **Crosby & Nash** shows will offer a chance for a more intimate, harmony-heavy concert experience with two of rock's most legendary singer-songwriters.

The itinerary for ***An Evening With David Crosby And Graham Nash*** also includes shows at the **Carson Four Rivers Center in Paducah, KY (3/21)**, **Nashville's famed Ryman Auditorium (3/22)**, **Borgata Music Box in Atlantic City, NJ (3/31)**, **Westbury, NY's North Fork Theatre (4/5)**, the historic **Count Basie Theatre in Red Bank, NJ (4/11)** and the **Grand Opera House in Wilmington, DE (4/12)**. As of this writing, the tour concludes with a **4/15** engagement at the **Seneca Niagra Casino in Niagara Falls, NY**.

David Crosby and **Graham Nash** will perform a diverse range of memorable songs from throughout their careers, and will spotlight selections from the albums they've recorded as a duo. Their most recent joint release was **2006's Highlights**, an essential single-disc distillation of their sprawling, highly acclaimed **2-CD** set, **'04's Crosby-Nash**. Stand-out tracks include **"Lay Me Down," "Milky Way Tonight," "Grace/Jesus Of Rio"** (with guest vocals from James Taylor), **"Through Here Quite Often"** and **"My Country Tis Of Thee,"** an elegant acoustic rendition of the anthem that originally debuted on the award-winning TV series ***The West Wing***.

Produced by **Nash** and **Crosby** in collaboration with the father/son team of **Russell Kunkel** and **Nathaniel Kunkel**, these recent titles represent **Graham** and **David's** first recordings as a duo since **1976's Whistling Down The Wire**. Their *first* LP together, **'72's Crosby & Nash**, featuring the hits **"Southbound Train"** and **"Immigration Man,"** is regarded as one of the best side projects to emerge from the **CSNY** sphere. The duo also released **1975's Wind On The Water** and the live gem **Another Stoney Evening**. Most recently, in addition to **Highlights**, **Graham** and **David's** famous harmonies graced **David Gilmour's '06** hit **"On An Island,"** and they performed with the guitar virtuoso at his 3-night stand at London's Albert Hall.

David Crosby and **Graham Nash** first harmonized in 1968, and have never stopped touring and recording together – as well as pursuing endeavors outside of **CSN/CSN&Y**. **Crosby**

first rose to superstardom as a founding member of the seminal folk-rock band **The Byrds**. Later on, in addition to acclaimed solo work, **David Crosby** toured and recorded with **CPR**, the jazz-flavored trio he formed with his son James Raymond. His classic songs include "**Eight Miles High**," "**Almost Cut My Hair**," "**Déjà Vu**," "**Guinnevere**," "**Long Time Gone**" and "**Wooden Ships**," and he is the author of three books: **Stand and Be Counted: Making Music, Making History/The Dramatic Story of the Artists and Causes That Changed America** and the autobiographical works **Long Time Gone** and **Since Then: How I Survived Everything And Lived To Tell About It**. The latter, published in late 2006 in hardcover by **Putnam Adult**, chronicles – as praised by **Entertainment Weekly** – "A fascinating life worthy of a sequel."

Graham first gained world fame with British Invasion chart-toppers **The Hollies**, whose **Nash**-penned hits include "**On A Carousel**," "**Bus Stop**" and "**Pay You Back With Interest**;" his **CSN/CSN&Y** classics include "**Teach Your Children**," "**Our House**" and "**Marrakesh Express**." **Nash's** four solo titles include '02's **Songs For Survivors**, the first album by a major artist to come out in **5.1** sound in advance of its stereo release. **Nash** is also an internationally shown photographer whose images were the subject of the **2006** exhibition, ***Eye to Eye: Photographs by Graham Nash***, at **San Diego's Museum of Photographic Arts**, a show based on **Nash's 2004** book of the same name that will be published in paperback this year. **Graham** is co-founder, with **Mac Holbert**, of **Nash Editions**, whose pioneering work in digital fine art printing is in the **Smithsonian's** permanent collection. **Nash Editions: Photography And The Art Of Digital Printing**, was published by **New Riders Press** in **December 2006**.
